1. [REDACTED] the quarters at the Berlin-Adlershof (T 53/2 94) airfield on both sides of Rudower Chaussee which had been occupied by Soviet motor transport units until about three months ago, were occupied by VP units estimated at about 1,000 police. Very heavy motor traffic was observed there. VP personnel with small baggage were frequently seen going to, or coming from, the elevated railroad station of Adlershof. *
2. Local residents said that most of the VP personnel came from Saxony. **
